Graphic Designer

Description

We are looking for a talented and creative Graphic Designer to join our team. In this role, you will be responsible for designing visual content that captures attention and communicates ideas effectively. If you have a passion for creating eye-catching designs, are skilled in design software, and have a keen eye for detail, we would love to hear from you.

Responsibilities

- Design high-quality visual content, including banners, social media posts, brochures, and web graphics.
- Collaborate with the marketing and content teams to develop creative concepts and campaigns.
- Ensure all designs align with brand guidelines and enhance brand identity.
- Participate in brainstorming sessions and provide creative input on various projects.
- Manage multiple design projects simultaneously, ensuring timely delivery.
- Revise designs based on feedback and ensure final products meet project objectives.
- Stay updated with design trends, tools, and techniques to continuously improve design quality.
- Work closely with web developers to ensure seamless integration of design elements on digital platforms.

Experience

- 1+ years of proven experience as a Graphic Designer or in a similar creative role.
- Demonstrated experience working on digital and print design projects.
- Strong portfolio showcasing a variety of design work, including branding, social media, web graphics, and more.
- Experience collaborating with marketing teams or clients to deliver tailored design solutions.
- Familiarity with design trends and ability to adapt to different styles.
- Experience in motion graphics or web design is a plus but not required.

Qualifications

- Qualified in Graphic Design, Visual Arts, or a related field (or equivalent experience).
- Good In English.
- Proven experience as a Graphic Designer, with a strong portfolio showcasing your design work.
- Proficiency in design software such as Adobe Creative Suite (Photoshop, Illustrator, InDesign, etc.).
- Strong understanding of typography, color theory, and layout design.
- Excellent attention to detail and creative problem-solving skills.
- Ability to manage time efficiently and work on multiple projects
